

WELCOME TO LAKESHORE WRITER'S GROUP

Monday, February 19th, 2024 @ 7:00pm

MEETING OUTLINE

It's February, the month of romance, love, and Whitman's Chocolate Hearts... Wracking my brain to come up with a theme for the group, I decided to do something way outside the box: *Valentine's Day!!* (I know. I was surprised, too). Wherever you are in your life, my wish is that you are truly happy with the people you hold dear, and always surrounded with love!

◆ Warm-up Exercise and Read Back:

...thinking about a prompt... will let you know...

◆ Just for Fun Homework:

...*to be done in preparation for our February meeting*

This will come as a surprise to you also. For homework, write 130 words on that special someone in your life. Of course it can be your spouse, but it doesn't have to be. Just write about that someone who makes the difference, means so much, always there, fills your heart. You get the picture. (Abigail, you recently wrote that beautiful piece describing your new Dad – you may be exempt! Altho, I would love to hear about your Mom)

◆ Topic Thought:

Marilyn is reading a book she'd like to share with us. It sounds packed with good information about legal things as they pertain to writing, publishing, and the like.

Also, I have sent an email to an author inviting her to speak at our group. I have not yet heard back. Finger's crossed...

◆ Trivia

Rumor has it that after these super nice days we're enjoying, winter will be back. Be thankful we aren't having what California is having.

NEXT MEETING will be Monday, March 18th, 2024 at 7:00pm.
